Meeting Minutes

**Attendance:** 48 Members

**Meeting Minutes:** Motion made and passed to approve September's meeting minutes.

**Announcement of Reception:** To be held immediately after at Charlotte Square hosted by Kim Russell.

**Treasurer's Report:** There is a balance of \$4611.34 in the account.

**Neighborhood Report:** 146 University Ave is a Class A environmental site. If their taxes aren't paid it will go to Environmental Auction.

**Security/Safety:** Reports of sexual assaults and forcible touching in our sector. Complaints of Panhandling – call 311 if you are bothered by panhandlers in the neighborhood.

**Quadrant Report:** City Schools are attempting to meet with neighborhoods and would like their input. They will send a list of scheduled meetings. David Hawkes would like a Center City Service Center as more people move into the area. A meeting will be set up with him to brainstorm further. It behooves us to be as active and informed as to development in the city's center.

**Holiday Party:** Will be held in January, still looking at venues and caterers.

**Other Business:** Sandy Shapiro gave an update on the City vs Focus case.

**New Members:** The YMCA has joined our Association.

**Beautification/Artwork:** No report this month.

Respectfully Submitted,
