### **ANNUAL MEMBERSHIP FORM FOR MAY 1, 2023 – APRIL 30, 2024**

The Grove Place Association, established in 1968, includes individual and business members working together to create a thriving, urban neighborhood. We build this sense of community through regular meetings held via Zoom and COVID-safe social gatherings. We aim to foster excellent communication with City government and agencies, and to have a voice in neighborhood and downtown development. Being a part of GPA allows your voice to be amplified and heard as a city resident. It also provides a great opportunity to connect with your neighbors, local organizations, businesses, and have fun!

We are an association inclusive to all. Individual membership is \$30/year and Business/NFP membership is \$35/year. To be eligible for membership, you must reside or operate within the GPA footprint, which is bounded by Union Street on the east, Chestnut Street on the west, the Inner Loop on the north and East Avenue on the south. Only paid-up members may participate in any vote. The association is a charitable organization and files annually with the NYS Charities Bureau.

Our fiscal year runs from May 1st – April 30th. Elections are held every other year in even years.

Your current Executive Committee members are:

Richard Rosen	President
Bob DiPaola	V.P.
Mark Wilson	V.P.
Rick McGrath, CPA	Treasurer

Judy Loeb
